Online Special Assembly

- Love and compassion ➡

- Mother Nature

Shravya – National News

Karthika- International News

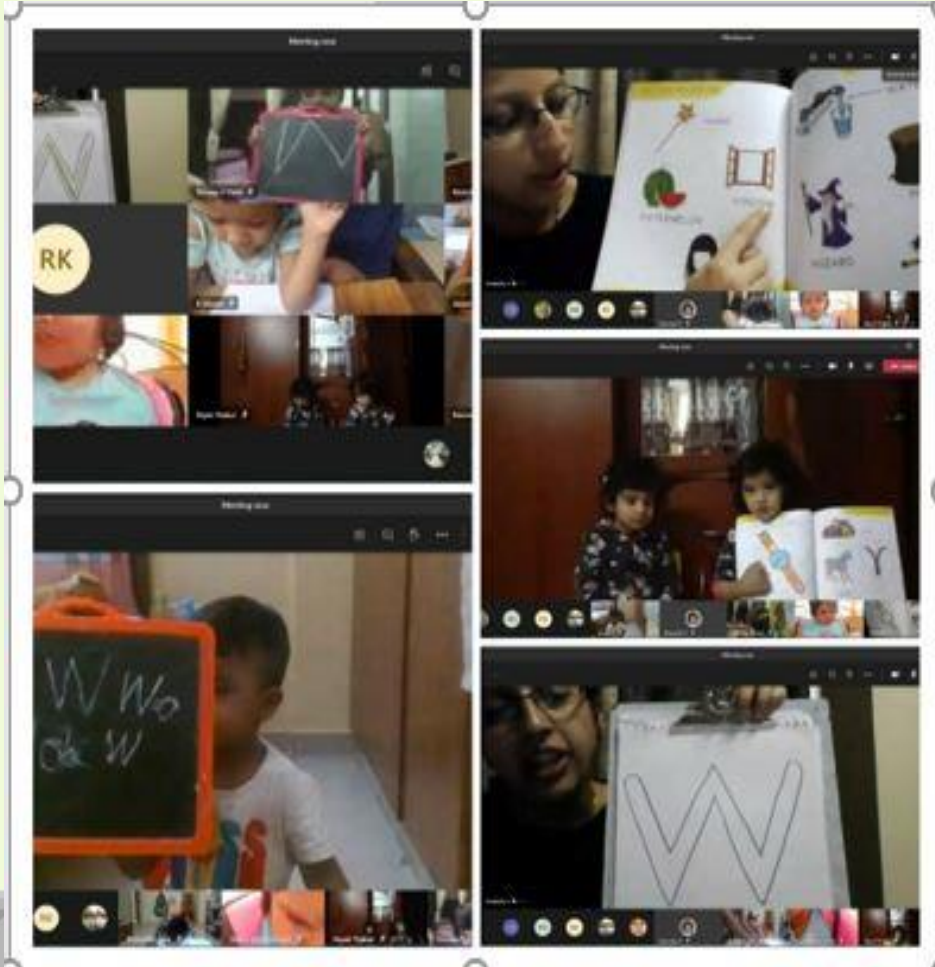

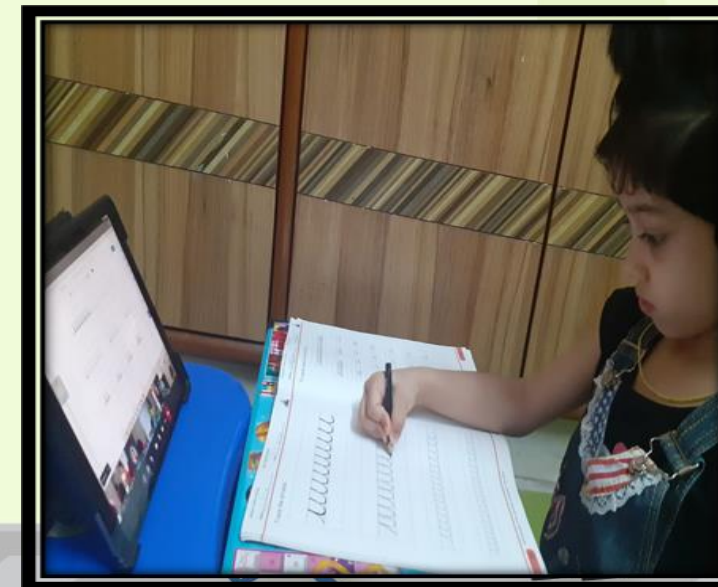

Srihari- Sports & Entertainment News

Early literacy is what prepares the children to read and write before they acquire reading and writing skills. They pick up pre-reading skills that strengthens their ability to express better.

Early Literacy

Online Early Literacy

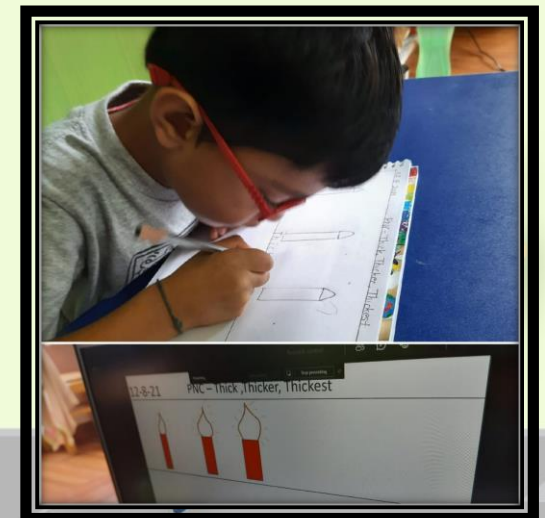

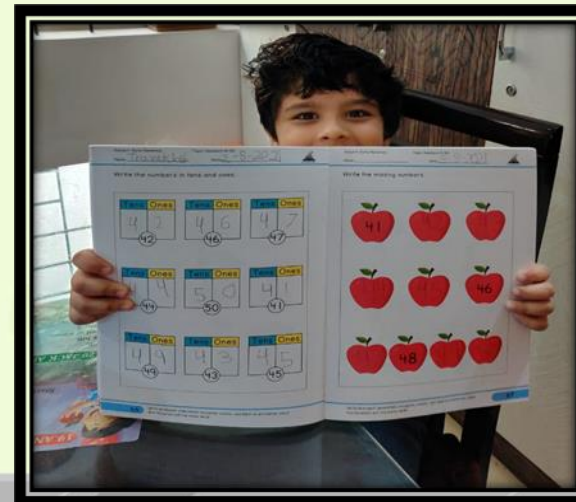

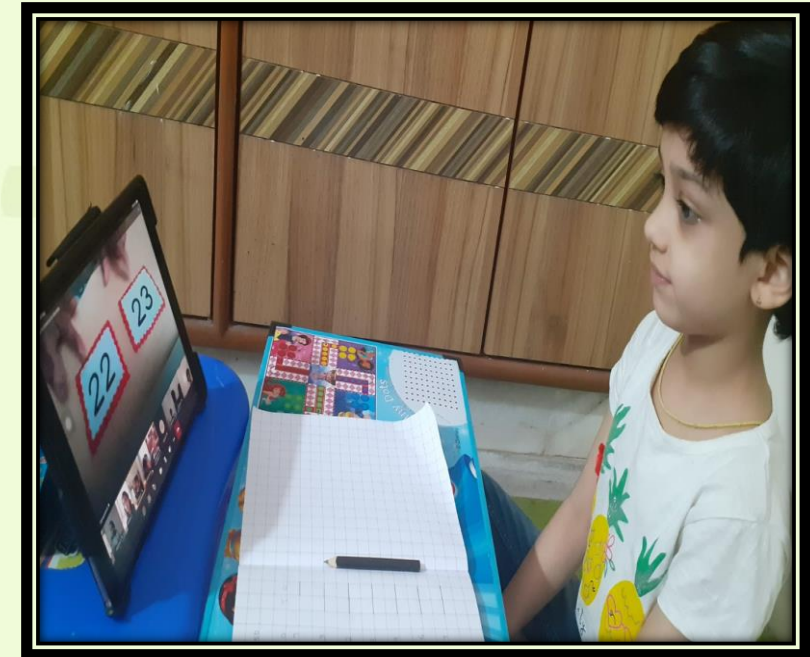

Early Numeracy

Early numeracy refers to the foundation of mathematical reasoning, acquired in early childhood. Children learn mathematics through activities using beads and other manipulatives.

Online Early Numeracy

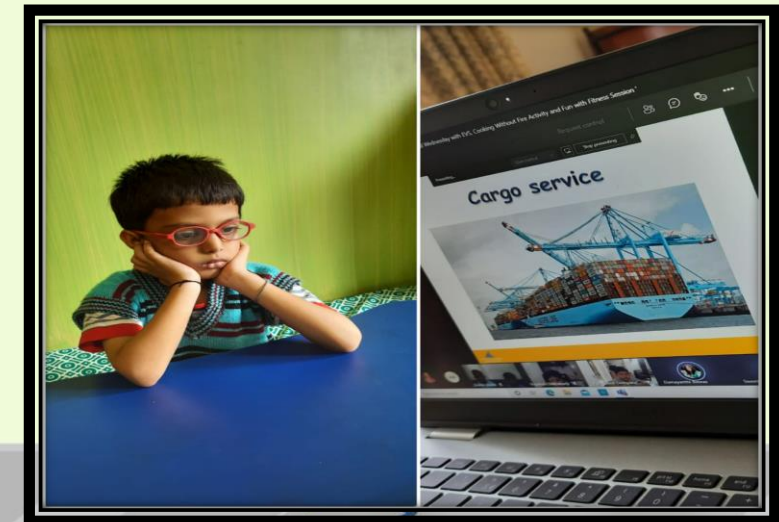

Environmental Studies

Online-Environmental Studies

Environmental studies means getting to know the surroundings in which we are living. Children learn to explore all about things which they are directly or indirectly dependent on whether it is living components like animals, plants or non living components like soil, air and water.

Montessori

Montessori -
Children get hands on experience in a Montessori room. They develop the ability to concentrate for longer periods of time, master their skills, learn to sequence and complete a cycle of challenging work etc. it helps them to build their fine motor skills through the Montessori materials and they learn to correct themselves.

Rolling pin and Board

Pairing Activity

Dustpan and Brush

Parent Engagement

Oral And Dental Care By Dr. Aniruddha K B

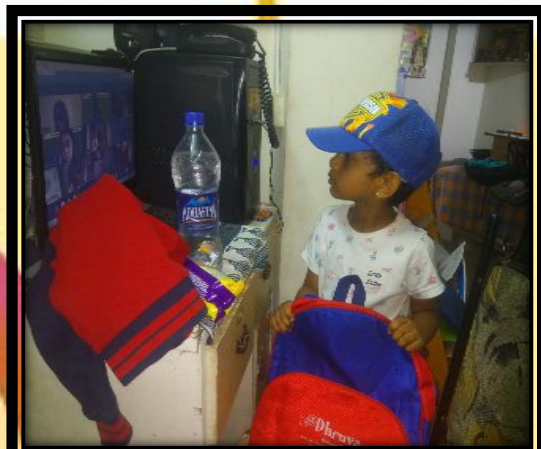

Click to add text

An Enriching and informative orientation by our dentist parent Dr. Aniruddha K B was conducted on 3-12-2020. The Doctor briefed the parents about tooth decay- causes and prevention, delayed tooth eruption, functional problems in kindergarten children w.r.t. dental care, binge eating and habits that lead to tooth decay. He also explained the causes and symptoms of mouth ulcers, psychological factors that lead to grinding of teeth, biting of nails etc. in school going children and gave few valuable tips to parents to help children maintain oral hygiene.

READ ALOUD ACTIVITY

Physical Education

A bright, modern children's playroom with a light blue floor and a white ceiling with recessed lights. The room features two white tables with yellow and blue chairs. On the tables are various toys, including a blue helicopter, a yellow car, and a red car. A large blue toy car is on the floor. The background wall is decorated with a colorful mural of clouds, a hot air balloon, and a rainbow. A green chalkboard and a yellow toy car are also visible.

Thank You
