Dear Parents,

"True leadership begins with service, grows with courage, and shines through inspiration."

Greetings from Presidency School Bangalore South!

The new academic year has begun with great energy, and we hope your children are gradually easing back into their school routine after the long summer break. It's truly a delight to see the campus come alive once again with the cheerful presence of our students.

June kicks off with *Eco Month*, packed with engaging and meaningful activities aimed at fostering environmental awareness. Another key highlight of the month will be the *Student Cabinet Elections*, culminating in the *Investiture and Felicitation Ceremony*, where our newly elected student leaders will be officially inducted.

The School Cabinet is a democratically elected body of student leaders, serving as the voice of the student community. Students from Grades V and above participate in a free and fair *E-election* to choose their representatives.

The cabinet plays a vital role in the school's functioning, embodying leadership, responsibility, and student representation. Each cabinet member serves a two-year term, and elections are held only for vacant posts.

The student leaders serve as the voice of their peers, representing the student body with responsibility and integrity. They take an active role in planning events, promoting teamwork, and assisting in maintaining order and discipline across the campus.

As ambassadors of the school, they are expected to reflect the ethos of the Presidency and uphold its core values and beliefs, setting a strong example for others to follow.
