Dear Parents,

Greetings from Presidency School Bangalore South! Street Play on “Beat Plastic Pollution” – PSR Initiative

As part of our continued commitment to fostering social responsibility and environmental consciousness among our students, we are pleased to inform you that our school will be organizing a **street play** on the theme “**Beat Plastic Pollution**” to commemorate **World Environment Day**.

This initiative is a collaborative effort from the **Science, English, and Kannada departments**, conducted under the **Presidency Social Responsibility (PSR) activity**. The street play will be performed in both **English and Kannada**, aiming to raise awareness among the public about the harmful impact of plastic pollution and the need for sustainable living.

The event will be held at the prominent public site of **Vidhana Soudha**, where students will present the play in front of the general public, creating a real-world impact while enhancing their civic engagement and communication skills.

Details of the Activity:

- **Date:** 25.6.2025, Wednesday
- **Venue:** In front of Vidhana Soudha
- **Theme:** Beat Plastic Pollution
- **Departments Involved:** Biology, English, Kannada
- **Language of Performance:** English & Kannada

The event will take place **within school hours** and will involve the participation of:

- Students performing the street play
- Newly elected **student cabinet members**
- A few **teachers** and coordinators

We appreciate your continued support in encouraging our students to become environmentally responsible citizens. Together, we can inspire the change for a cleaner and greener future

We believe such experiences help nurture responsible and environmentally conscious individuals. Thank you for your continued support.

Regards,

Dr. J. Bhuvaneswari

Principal
